Sir:

I beg to inform you that in November, 1915, Mr. Noble Avery, the homesteader of the N.½ of Section 22, Township 2, Range 7, West of the Fifth Meridian, filed here his consent to two acres being withdrawn from the north-west corner of his entry for the purposes of the Ard Bus School District No. 2170, Mr. E. V. Gardiner of Rocky Mountain House, Alberta, being advised that upon payment for the said two acres at the rate of $10.00 an acre being remitted, letters patent therefor would be issued.

The Department has repeatedly requested Mr. Gardiner to state the intentions of the School District in the matter, and has had no reply, and under the circumstances I would request you to ascertain if the School District is still desirous of acquiring the said two acres, in which event it should without delay remit the amount of the purchase price.

Sir,

I beg to acknowledge the receipt of your letter of the 30th ultimo, wherein you make certain inquiries as regards your father's Certificate of Naturalization which you apparently require so that you can obtain patent to your homestead and to advise you that your father's (Henry Galts) Certificate of Naturalization which was filed in connection with the application for patent of your brother (Arnest M. Galts) for the S.W.¼ 7-1-13-W.4th Meridian was returned to the said Arnest M. Galts on the 24th March, 1925, to his then address Coutts, Alberta.

This Certificate of Naturalization was dated the 8th January, 1912.

If this document cannot now be located by you and you still require to produce a Certificate of Naturalization before you can obtain patent to your homestead I would suggest that you communicate with the Department of Secretary of State, Naturalization Branch, Ottawa, from whom you will no doubt be able to obtain a copy on payment of the required fees.

M. D. of New Island No. 94.

The Seed Grain and Relief Adjustment Board, appointed under Order P. C. 2200, hereby recommends that the sum of $150.00, be accepted in full settlement of all liens, Dominion, Municipal and Joint Relief, charged against the N.E.¼, 36-10-11-W. 4th Mer., and the N.W.¼, 31-10-10-W. 4th Mer., for advances made to J.W.Reid, and that with the pro rata distribution of the said amount as hereinafter provided for all liens be discharged, and the debtor released from any further liability under his personal covenant.

The Board submits the report of the Director, Debt Adjustment Board, dated July 3rd, 1933, which report gives full details of all liens registered against the said land and states in support of the recommendation:-

1. That at the time the advances were made the debtor held homestead and pre-emption entries to the said land and is still in possession thereof.

2. That the debtor has secured title to his homestead the N.E.¼, 36-10-11-W. 4th Mer., and is residing thereon, but that the amount chargeable against same for arrears of taxes is in excess of the value of the land.

3. That the debtor still holds entry to his pre-emption the N.W.¼, 31-10-10-W. 4th Mer., and that the arrears of taxes chargeable against the said land, with the amount payable on the purchase price is considerably in excess of the value of the land.

4. That the debtor is attempting to re-establish himself and it is reported that he has made satisfactory compromise settlements with other creditors and has also entered into an Agreement with the Municipal District of New Island No. 94, for the consolidation and adjustment

...

4. of his arrears of taxes so there is a possibility that he may be able to retain his land and to continue his farming operations.

5. That the debtor has already made substantial payments on account of his Dominion Liens, the amount paid being in excess of the original advances made to him.

6. That the debtor is desirous of securing an adjustment of the liens charged against him and has offered the sum of $150.00 in settlement thereof and taking into consideration all the conditions prevailing it is considered that the proposed settlement is fair and reasonable and that it should be accepted on compassionate grounds so as to give this debtor a fresh start.

7. That on account of the payments already made by him on Dominion Liens, the adjustment now made should provide for the payment of the balance of principal only, on account of the Dominion Liens, and that the remainder should be applied pro rata to the Municipal and Joint Relief Liens.

8. That the amount paid by this debtor be apportioned to the liens charged against said land as follows.-

Dominion Liens, ...	$ 3.89
Municipal Seed Grain Liens,.....	101.75
Joint Relief Liens, ...	44.36
	$150.00

The Board therefore recommends that upon payment of the sum of $3.89, being the amount apportioned to Dominion Liens and the sum of $22.18, being one-half the amount apportioned to Joint Relief Liens, under the Agreement now in effect, that all liens charged against the said land be unconditionally discharged, any balances remaining unpaid be written off as uncollectible, and the debtor released from any further liability under his personal covenant.

The Honorable,
The Minister of the Interior,
OTTAWA ONTARIO.

The Tax Consolidation Board, hereby recommends that the sum of $150.00 be accepted in full settlement of all liens charged against the N.E.¼, 36-10-11-W. 4th Mer., and the S.W.¼, 31-10-10-W. 4th Mer., for advances made to J. W. Reid, and on the pro rata distribution of the amounts so paid to the balance due on Dominion Liens, and to the liens for advances made by the Municipal District of Bow Island No. 94, as hereinafter provided for, that all liens be discharged.

The Board submits in support of this recommendation:-

1. That at the time the advances were made the debtor held homestead and pre-emption entries to the said land and is still in possession thereof.

2. That the debtor has secured title to his homestead the N.E.¼, 36-10-11-W. 4th Mer., and is residing thereon, but that the amount chargeable against same for arrears of taxes is in excess of the value of the land.

3. That the debtor still holds entry to his pre-emption the N.E.¼, 31-10-10-W. 4th Mer., and that the arrears of taxes chargeable against the said land, with the amount payable on the purchase price is considerably in excess of the value of the land.

4. That the debtor is attempting to re-establish himself and it is reported that he has made satisfactory compromise settlements with other creditors and has also entered into an Agreement with the Municipal District of Bow Island No. 94, for the consolidation and adjustment of his arrears of taxes so there is a possibility that he may be able to retain his land and to continue his farming operations.

5. That the debtor has already made substantial payments on account of his Dominion Liens, the amount paid being in excess of the original advances made to him.

6. That the debtor is desirous of securing an adjustment of the liens charged against him and has offered the sum of $150.00 in settlement thereof and taking into consideration all the conditions prevailing it is considered that the proposed settlement is fair and reasonable and that it should be accepted on compassionate grounds so as to give this debtor a fresh start.

7. That on account of the payments already made by him on Dominion Liens, the adjustment now made should provide for the payment of the balance of principal only, on account of the Dominion Liens, and that the remainder should be applied pro rata to the Municipal and Joint Relief liens.

....

6. That the amount paid by this debtor be apportioned to the liens charged against said land as follows:-

Dominion Liens, ...	3.89
Municipal Seed Grain Liens,.....	101.75
Joint Relief Liens, ...	44.36
	$150.00

The Board therefore recommends that the amount apportioned to Dominion Liens and one half the amount apportioned to Joint Relief Liens, as herein provided for be remitted to Ottawa, under the terms of the Agreement now in effect.

The Board further recommends that with the payment of the amount herein provided for all liens charged against the said land be unconditionally discharged any balances remaining unpaid be written off as uncollectible and the debtor released from any further liability under his personal covenant.

The Board further recommends that with the payment of the said amount the Municipal District of Bow Island No. 24, be discharged from any further liability to the Province of Alberta, in connection with the said liens, and that the total amount payable thereon be written off as uncollectible, as the financial affairs of the District are such that it is not possible for the said Municipality to make any further payments on account thereof.

BOARD ORDER
No. [illegible]

July 2, 1932.

L. J. Fraser, Esq.,
Chairman, Peace Grain & Weed Adjustment Board,
Edmonton, Alberta.

Dear Sir:

re J. S. Reid,
N. ½ 36-1-11-W. 4,
N. ½ 31-1-10-W. 4,
Cowley Lions, Head Grain &
Relief Liens R. M. of Bow Island, No. 24

The above named man obtained advances from the Dominion Government in the year 1931, in the amount of $150.00. According to the old records at the Department of the Interior, it appears that he has made repayments on account of this indebtedness in the years 1931 and 1932, which reduced the amount to the following sums:

Principal ..... $3.[illegible]
Interest to March 31, 1932 ... 3.87 $6.86

A Crown lien appears registered on the title to the N. ½ 36-10-1-W. 4, in the amount of $150.00, registered as instrument No. 5764 B.F. It is also evident that this Crown lien appears as a charge against the S. ½ 31-10-10-W. 4, although this land is still unpatented; it is the debtor's pre-emption.

The same man obtained the following advances from the Municipal District of Bow Island, No. 24:

[illegible] May 23, 1931
May 12, 1932 $150.00
127.00

[illegible] May 14, 1931
Mar. 25, 1932 50.00
Mar. [illegible], 1932 27.75
21.87

There have been no repayments on any of these advances, and the indebtedness amounts as follows:

[illegible] Principal
Interest to Dec. 31, 1932 $227.00
17.[illegible] $[illegible]

[illegible] Principal
Interest to Dec. 31, 1932 99.42
77.[illegible] 177.[illegible]

Total ..... $[illegible]

security for all the advances appears registered on the title to the N. E. 30-10-[illegible]-4. The advances are also held as a charge against the unpatented pre-emption, N. W. 31-10-[illegible]-4.

For years, the Municipal District has been endeavoring to make some collection of the Municipal advances, but they have to date been unsuccessful. The farm is located in the vicinity of Bow Island, which territory has been subject to drouth conditions for a number of years.

It would appear this debtor, from some source other than his farming operations, has been able to provide himself with sufficient funds whereby he may be enabled to put himself on a comparatively sound financial footing, providing he may make a compromise settlement for the set of various charges which are held against his patented land and against his unpatented pre-emption. I have secured advice from the Municipal District Secretary-Treasurer to the effect that there is charged against the patented land, the N. E. 30-10-11-4, tax arrears in the amount of $761.23, of which $721.00 are arrears of school taxes, and against the N. W. 31-10-[illegible]-4 tax arrears in the amount of $1,345.03, of which the school tax arrears amount to $[illegible].00. He still owes on account of his pre-emption purchase approximately $[illegible].00. It may be readily inferred, therefore, that this man's financial standing is especially poor, and the equity in the lands for the seed grain and relief liens very small.

Mr. Reid has, however, been able to negotiate with the Municipal District for the satisfaction of his tax arrears under the provisions of the 1943 Act for the consolidation of local taxes, and he has satisfied me that he will take care of the repayment of his taxes by consolidation and repayment over a period of years. The Municipal District Secretary is, apparently, satisfied that his arrangements and agreements with the Municipal District will be fulfilled.

He has submitted an offer of $150.00 in cash, which sum is now held in the Provincial Treasurer's Trust Account, as satisfaction in full for the seed grain and relief liens registered against the title. Unless this arrangement may be made, the whole scheme of re-adjustment of the indebtedness covered against the two quarters must fail.

It would be possible, of course, to arrange a settlement of the seed grain and relief liens by a scheme of repayment over a period of years, but it is my opinion, and it has been my experience, that such arrangements are seldom satisfactory. I am inclined to look with favour upon the offer as submitted, and I recommend that the payment of $150.00 as consideration for the discharge of all seed grain and relief liens registered against both quarter sections involved be accepted.

I recommend that the payment be applied, first to the satisfaction of the principal amount of the Dominion liens outstanding, or, to be exact, to the amount of $[illegible].89, and that the balance of the payment,

amounting to $146.11, be distributed on a pro rata basis to the credit of the Municipal Seed Grain and Relief charges, which will result in the following apportionment:

SEED GRAIN..... $101.75

RELIEF 44.36

and that after the payments as hereinbefore recommended have been allotted, the Dominion lien be discharged and the Municipal District Seed Grain and Relief liens be discharged.

As the object of this arrangement is to clear up the indebtedness of the individual, it is further recommended that the balance of the Dominion indebtedness then remaining unpaid be written off as uncollectible, and that the remaining unpaid balance of the Municipal account be written off as uncollectible, both as it affects the debtor's indebtedness to the Municipal District and the indebtedness of the Municipal District to the Provincial Government. The write-off of the Municipal account will appear as:

SEED GRAIN	Principal	$125.25	
	Interest to Dec. 31, 1932	179.83	$305.08
RELIEF	Principal	$ 45.06	
	Interest to Dec. 31, 1932	77.88	122.94
	Total		$428.02

R.M. of Bow Island No. 94.

The Seed Grain and Relief Adjustment Board, appointed under Order P.C. 1660, hereby recommends that the sum of $15.00, be accepted in full settlement of all liens, Dominion, Provincial and joint Relief, charged against the N.E.¼, 36-1 -11-W. 4th Mer., and the N.W.¼, 31-10-1 -W. 4th Mer., for advances made to T.W.Reid, and that with the pro rata distribution of the said amount as hereinafter provided for all liens be discharged, and the latter released from any further liability under his pursuant warrant.

The Board submits the report of the District Relief Adjustment Board, dated July 3rd, 1937, which report gives full details of all liens registered against the said land and states in support of the recommendation:-

1. That at the time the advances were made the latter held homestead and pre-emption entries to the said land and is still in possession thereof.

2. That the latter has secured title to his homestead the N.E.¼, 36-1 -11-W. 4th Mer., and is residing thereon, but that the amount chargeable against same for arrears of taxes is in excess of the value of the land.

3. That the latter still holds entry to his pre-emption the N.W.¼, 31-1 -10-W. 4th Mer., and that the arrears of taxes chargeable against the said land, with the amount payable on the purchase price is considerably in excess of the value of the land.

4. That the latter is attempting to re-establish himself and it is reported that he has made satisfactory compromise settlements with other creditors and has also entered into an agreement with the Municipal District of Bow Island No. 94, for the care liability and adjustment

...

4. of his arrears of taxes so there is a possibility that he may be able to retain his land and to continue his farming operations.

5. That the debtor has already made substantial payments on account of his Dominion Liens, the amount paid being in excess of the original advances made to him.

6. That the debtor is desirous of securing an adjustment of the liens charged against him and has offered the sum of $150.00 in settlement thereof and taking into consideration all the conditions prevailing it is considered that the proposed settlement is fair and reasonable and that it should be accepted on compassionate grounds so as to give this debtor a fresh start.

7. That on account of the payments already made by him on Dominion Liens, the adjustment now made should provide for the payment of the balance of principal only, on account of the Dominion Liens, and that the remainder should be applied pro rata to the Municipal and Joint Relief Liens.

8. That the amount paid by this debtor be apportioned to the liens charged against said land as follows,-

Dominion Liens, ...	$ 3.69
Municipal Seed Grain Liens, ...	101.75
Joint Relief Liens, ...	44.36
	$150.00

The Board therefore recommends that upon payment of the sum of $3.69, being the amount apportioned to Dominion Liens and the sum of $22.18, being one-half the amount apportioned to Joint Relief Liens, under the Agreement now in effect, that all liens charged against the said land be unconditionally discharged, any balances remaining unpaid be written off as uncollectible, and the debtor released from any further liability under his personal covenant.

The Honorable,

The Tax Consolidation Board, hereby recommends that the sum of $150.00 be accepted in full settlement of all liens charged against the N.E.¼, 36-10-11-W. 4th Mer., and the N.W.¼, 31-10-10-W. 4th Mer., for advances made to J. W. Reid, and on the pro rata distribution of the amounts so paid to the balance due on Dominion Liens, and to the liens for advances made by the Municipal District of Bow Island No. 94, as hereinafter provided for, that all liens be discharged.

The Board submits in support of this recommendation:-

1. That at the time the advances were made the debtor held homestead and pre-emption entries to the said land and is still in possession thereof.

2. That the debtor has secured title to his homestead the N.E.¼, 36-10-11-W. 4th Mer., and is residing thereon, but that the amount chargeable against same for arrears of taxes is in excess of the value of the land.

The Board therefore recommends that the amount apportioned to Dominion Liens and one half the amount apportioned to Joint Relief Liens, as herein provided for be remitted to Ottawa, under the terms of the Agreement now in effect.

The Board further recommends that with the payment of the amount herein provided for all liens charged against the said land be unconditionally discharged any balances remaining unpaid be written off as uncollectible and the debtor released from any further liability under his personal covenant.

The Board further recommends that with the payment of the said amount the Municipal District of Bow Island No. 94, be discharged from any further liability to the Province of Alberta, in connection with the said liens, and that the total amount payable thereon be written off as uncollectible, as the financial affairs of the District are such that it is not possible for the said Municipality to make any further payments on account thereof.

Dear Sir:

Re J. W. Reid,
N. E. 36-10-11-W. 4,
N. W. 31-10-10-W. 4,
Dominion Liens, Seed Grain &
Relief Liens M. D. of Bow Island, No. 94

The above named obtained advances from the Dominion Government in the year 1915, in the amount of $150.00. According to the old records of the Department of the Interior, it appears that he has made repayments on account of this indebtedness in the years 1915 and 1916, which reduced the amount to the following sum:

Principal	$3.49	
Interest to March 31, 1932 ...	3.37	$6.86

A Crown lien appears registered against the title to the N. E. 36-10-11-W. 4, in the amount of $150.00, registered as instrument No. 5764 B F. It is also evident that this Crown lien appears as a charge against the N. W. 31-10-10-W. 4, although this land is still unpatented; it is the debtor's pre-emption.

The same man obtained the following advances from the Municipal District of Bow Island, No. 94:

SEED GRAIN	May 23, 1921	$100.00
	May 13, 1922	127.00
RELIEF	May 23, 1921	50.00
	Mar. 26, 1922	27.75
	Mar. 2, 1922	21.67

There have been no repayments on any of these advances, and the indebtedness appears as hereunder:

SEED GRAIN	Principal	$227.00	
	Interest to Dec. 31, 1932	179.83	$406.83
RELIEF	Principal	99.42	
	Interest to Dec. 31, 1932	77.88	$177.30
	Total		$584.13

Security for all the advances appears registered on the title to the N. E. 36-10-11-W. 4, and the advances are also held as a charge against the unpatented pre-emption, N. W. 31-10-10-W. 4.

For years, the Municipal District has been endeavoring to make some collection of the Municipal advances, but they have to date been unsuccessful. The farm is located in the vicinity of Bow Island, which territory has been subject to drouth conditions for a number of years.

It would appear this debtor, from some source other than his farming operations, has been able to provide himself with sufficient funds whereby he may be enabled to put himself on a comparatively sound financial footing, providing he may make compromise settlements in respect of various charges which are held against his patented land and against his unpatented pre-emption. I have secured advice from the Municipal District Secretary-Treasurer to the effect that there is carried against the patented land, the N. E. 36-10-11-W. 4, tax arrears in the amount of $761.[illegible], of which $728.00 are arrears of school taxes, and against the N. W. 31-10-10-W. 4 tax arrears in the amount of $1,243.02, of which the school tax arrears amount to $913.00. He still owes on account of his pre-emption purchase approximately $70[illegible].00. It may be readily inferred, therefore, that this man's financial standing is especially poor, and the equity in the lands for the Seed Grain and Relief liens very small.

Mr. Reid has, however, been able to negotiate with the Municipal District for the satisfaction of his tax arrears under the provisions of the 1933 Act for the consolidation of local taxes, and he has satisfied me that he will take care of the repayment of his taxes by consolidation and repayment over a period of years. The Municipal District Secretary is, apparently, satisfied that the arrangements and agreements with the Municipal District will be fulfilled.

He has submitted an offer of $150.00 in cash, which sum is now held in the Provincial Treasurer's Trust Account, as satisfaction in full for the Seed Grain and Relief liens registered against the title. Unless this arrangement may be made, the whole scheme of re-adjustment of the indebtedness carried against the two quarters must fail.

It would be possible, of course, to arrange a settlement of the Seed Grain and Relief liens by a scheme of repayment over a period of years, but it is my opinion, and it has been my experience, that such arrangements are seldom satisfactory. I am inclined to look with favor upon his offer as submitted, and I recommend that the payment of $150.00 as consideration for the discharge of all Seed Grain and Relief liens registered against both quarter sections involved be accepted.

I recommend that the payment be applied, first to the satisfaction of the principal amount of the Dominion liens outstanding, or, to be exact, to the amount of $3.89, and that the balance of the payment,

amounting to $146.11, be distributed on a pro rata basis t the credit of the Municipal Seed Grain and Relief charges, which will result in the following apportionment:

SEED GRAIN..... $101.75

RELIEF 44.36

and that after the payments as herein recommended have been allotted, the Dominion lien be discharged and the Municipal District Seed Grain and Relief liens be discharged.

As the object of this arrangement is to clear up the indebtedness of the individual, it is further recommended that the balance of the Dominion indebtedness then remaining unpaid be written off as uncollectible, and that the remaining unpaid balance of the Municipal account be written off as uncollectible, both as it affects the debtor's indebtedness to the Municipal District and the indebtedness of the Municipal District to the Provincial Government. The write-off of the Municipal account will appear as:

SEED GRAIN	Principal	$[illegible]	
	Interest to Dec. 31, 1932	$[illegible]	$[illegible]
RELIEF	Principal	$ 55.06	
	Interest to Dec. 31, 1932	$ 77.88	$133.94
	Total		$438.02

Yours truly,

J.H/HG

DIRECTOR.

The Tax Consolidation Board, hereby recommends that the sum of $150.00 be accepted in full settlement of all liens charged against the N.E.¼. 36-10-11-W. 4th Mer., and the N.W.¼. 31-10-10-W. 4th Mer., for advances made to J. W. Reid, and on the pro rata distribution of the amounts so paid to the balance due on Dominion Liens, and to the liens for advances made by the Municipal District of Bow Island No. 94, as hereinafter provided for, that all liens be discharged.

The Board submits in support of this recommendation:-

1. That at the time the advances were made the debtor held homestead and pre-emption entries to the said land and is still in possession thereof.

2. That the debtor has secured title to his homestead the N.E.¼. 36-10-11-W. 4th Mer., and is residing thereon, but that the amount chargeable against same for arrears of taxes is in excess of the value of the land.

3. That the debtor still holds entry to his pre-emption the N.W.¼. 31-10-10-W. 4th Mer., and that the arrears of taxes chargeable against the said land, with the amount payable on the purchase price is considerably in excess of the value of the land.

4. That the debtor is attempting to re-establish himself and it is reported that he has made satisfactory compromise settlements with other creditors and has also entered into an agreement with the Municipal District of Bow Island No. 94, for the consolidation and adjustment of his arrears of taxes so there is a possibility that he may be able to retain his land and to continue his farming operations.

5. That the debtor has already made substantial payments on account of his Dominion Liens, the amount paid being in excess of the original advances made to him.

6. That the debtor is desirous of securing an adjustment of the liens charged against him and has offered the sum of $150.00 in settlement thereof and taking into consideration all the conditions prevailing it is considered that the proposed settlement is fair and reasonable and that it should be accepted on compassionate grounds so as to give this debtor a fresh start.

7. That on account of the payments already made by him on Dominion Liens, the adjustment now made should provide for the payment of the balance of principal only, on account of the Dominion Liens, and that the remainder should be applied pro rata to the Municipal and Joint Relief liens.

....

8. That the amount paid by this debtor be apportioned to the liens charged against said land as follows:-

Dominion Liens, ...	3.89
Municipal Seed Grain Liens, ...	101.75
Joint Relief Liens, ...	44.36
	$150.00

The Board therefore recommends that the amount apportioned to Dominion Liens and one half the amount apportioned to Joint Relief Liens, as herein provided for be remitted to Ottawa, under the terms of the Agreement now in effect.

The Board further recommends that with the payment of the amount herein provided for all liens charged against the said land be unconditionally discharged any balances remaining unpaid be written off as uncollectible and the debtor released from any further liability under his personal covenant.

The Board further recommends that with the payment of the said amount the Municipal District of New Island No. 94, be discharged from any further liability to the Province of Alberta, in connection with the said liens, and that the total amount payable thereon be written off as uncollectible, as the financial affairs of the District are such that it is not possible for the said Municipality to make any further payments on account thereof.

	Mar. 21, 1922	27.75

There have been no repayments on any of these advances, and the indebtedness appears as hereunder:

SEED GRAIN	Principal		
	Interest to Dec. 31, 1932	$227.00	
		179.83	$406.83
RELIEF	Principal		
	Interest to Dec. 31, 1932	99.42	
		77.88	177.30
	Total		$584.13

Security for all the advances appears registered on the title to the N. E. 36-10-11-W. 4, and the advances are also held as a charge against the unpatented pre-emption, N. W. 31-10-10-W. 4.

For years, the Municipal District has been endeavoring to make some collection of the Municipal advances, but they have to date been unsuccessful. The farm is located in the vicinity of Bow Island, which territory has been subject to drouth conditions for a number of years.

It would appear this debtor, from some source other than his farming operations, has been able to provide himself with sufficient funds whereby he may be enabled to put himself on a comparatively sound financial footing, providing he may make compromise settlements in respect of various charges which are held against his patented land and against his unpatented pre-emption. I have secured advice from the Municipal District Secretary-Treasurer to the effect that there is charged against the patented land, the N. E. 36-10-11-W. 4, tax arrears in the amount of $761.22, of which $725.00 are arrears of school taxes, and against the N. W. 31-10-10-W. 4 tax arrears in the amount of $1,243.02, of which the school tax arrears amount to $913.00. He still owes on account of his pre-emption purchase approximately $70 .00. It may be readily inferred, therefore, that this man's financial standing is especially poor, and the equity in the lands for the Seed Grain and Relief liens very small.

Mr. Reid has, however, been able to negotiate with the Municipal District for the satisfaction of his tax arrears under the provisions of the 1935 Act for the consolidation of local taxes, and he has satisfied me that he will take care of the repayment of his taxes by consolidation and repayment over a period of years. The Municipal District Secretary is, apparently, satisfied that his arrangements and agreements with the Municipal District will be fulfilled.

He has submitted an offer of $150.00 in cash, which sum is now held in the Provincial Treasurer's Trust Account, as satisfaction in full for the Seed Grain and Relief liens registered against the title. Unless this arrangement may be made, the whole scheme of re-adjustment of the indebtedness charged against the two quarters must fail.

It would be possible, of course, to arrange a settlement of the Seed Grain and Relief liens by a scheme of repayment over a period of years, but it is my opinion, and it has been my experience, that such arrangements are seldom satisfactory. I am inclined to look with favor upon his offer as submitted, and I recommend that the payment of $150.00 as consideration for the discharge of all Seed Grain and Relief liens registered against both quarter sections involved be accepted.

I recommend that the payment be applied, first to the satisfaction of the principal amount of the Dominion liens outstanding, or, to be exact, to the amount of $3.89, and that the balance of the payment,

amounting to $146.11, be distributed on a pro rata basis to the credit of the Municipal Seed Grain and Relief charges, which will result in the following apportionment:

SEED GRAIN..... $101.75

RELIEF 44.36

and that after the payments as hereinbefore recommended have been allotted, the Dominion lien be discharged and the Municipal District Seed Grain and Relief liens be discharged.

As the object of this arrangement is to clear up the indebtedness of the individual, it is further recommended that the balance of the Dominion indebtedness then remaining unpaid be written off as uncollectible, and that the remaining unpaid balance of the Municipal account be written off as uncollectible, both as it affects the debtor's indebtedness to the Municipal District and the indebtedness of the Municipal District to the Provincial Government. The write-off of the Municipal account will appear as:

SEED GRAIN	Principal	$125.25	
	Interest to Dec. 31, 1932	$179.83	$305.08
RELIEF	Principal	$ 55.06	
	Interest to Dec. 31, 1932	$ 77.88	$132.94
	Total		$438.02

Mines and Minerals.

With reference to your letter of the 24th of September last, and your enclosure of a copy of Order in Council dated the 19th of April, 1932, P.C. 837, I called upon the Registrar, Land Titles Office, and personally examined his records.

I found, as stated in your letter, that Certificate of Title No. 199 D 12 was cancelled and the Duplicate filed away. I pointed out to the Registrar that this Title had been cancelled in full in error on account of the fact that the Mines and Minerals still remained in the name of the Dominion Government in that title. I have now requested the Registrar to make the necessary correction and to issue a new Duplicate Certificate of Title in the name of the Province covering the Mines and Minerals by virtue of the registration of P.C. 837 above referred to.

The discovery of this error in the records of the Land Titles Office now permits this transaction to be closed, and I wish to thank you for your assistance in this regard.

BOARD BRIEF NO. 9957.

Re: Neil Sinclair. Joint Relief.
S. E. 7-1f-19-West 4th Meridian.

The Seed Grain & Relief Adjustment Board appointed under order P.C. 2200, dated November 22nd, 1937, having taken under consideration the attached report of the Chief Collector of the Collection Branch, Department of Municipal Affairs, numbered 9957, RECOMMENDS the settlement outlined therein and DOES HEREBY RECOMMEND:

1. THAT, there being no further security of any value remaining for the Joint Relief advances more particularly described in the attached report, made to Neil Sinclair, the balance remaining outstanding be written off.

CHAIRMAN, Seed Grain & Relief Adjustment Board.

SECRETARY, Seed Grain & Relief Adjustment Board.

TO:

The Honourable,
The Minister of Mines & Resources,

BOARD ORDER NO. 9957.

JUL 9 1947

Re: Neil Sinclair. Joint Relief.
S. , 7-12-19- est 4th Meridian.

The attached report, with recommendations of the Chief Collector of the Collection Branch, Department of Municipal Affairs, dated June 6th, 1947, has been submitted to the Agricultural Relief Adjustment Board, and in the opinion of the Board the proposed adjustment is fair and reasonable, and it is desirable that it be accepted.

In accordance, therefore, with the provisions of the Agricultural Relief Adjustment Act, Revised Statutes of Alberta, 1942, IT IS ORDERED that the recommendation for the adjustment and settlement of the said account contained in the said report be, and the same are, hereby APPROVED and ACCEPTED.

CHAIRMAN, Agricultural Relief Adjustment Board.

To

The Honourable E. C. Manning,
Provincial Treasurer,
Province of Alberta,
EDMONTON, Alberta.

BOARD ORDER No. 0057 97-3-14

June 6, 1947.

Mr. J. T. Judge,
Chairman,
Seed Grain & Relief Adjustment Board,
[illegible], Alberta.

Dear Sir:

Re: Neil Sinclair. Joint Relief.
[illegible]. 7-13-19-west 4th Meridian.

The above party obtained the following Joint Relief Advances giving as security liens on the title to the above land.

Jan. 6/20	$100.00
April 21/20	176.25
Feb. 13/22	86.19
Mar. 21/22	61.29
Dec. 29/31	80.70
Apr. 20/31	21.65
	$534.08
Int. to Mar. 31/38	416.45
	$950.53
Payment	60.00
	$890.53

The debtor's pre-emption entry in respect of the land quoted above was cancelled in 1933 with the result that all security by way of land lien was wiped out. The debtor himself was never very successful in his farming operations and sometime prior to the cancellation of the pre-emption entry moved from this part

(continued)...

with a view to re-establishing himself elsewhere under more favourable circumstances, his present whereabouts being unknown.

As no security remains and as there is no possibility of obtaining repayment under the personal covenant I would recommend that the balance outstanding be written off.

Provincial Seed Grain Advances of three hundred and ninety-two dollars and seventy-two cents ($392.72) have already been cancelled.

Yours very truly,

CHIEF COMMISSIONER.

Ottawa, 2nd April, 1953.

Mr. E.M. Medlen,

Seed Grain Advisory Board.

Re: Account of Neil Sinclair
S.E. 7-12-19-W4

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a board to deal with such cases. Having completed an investigation I am now in a position to report as follows:

In 1922 seed grain amounting to $112.50 was advanced to Neil Sinclair on the security of the above mentioned land. No payment was ever been received and the present standing of this account is:

Principal	Interest	Total
$ 112.50	$ 243.67	$ 356.17

The S.E. 7-12-19-W4 was formerly the pre-emption entry of the debtor whose entry was cancelled in 1933. The land has since been re-entered upon and title now stands in the name of Floyd Sinclair and there is no record of the lien having ever been registered against the land.

The whereabouts of the original debtor is unknown and it is considered that there is no possibility of collection.

As the lien was never registered against the land and there is no further security for our advance, it is recommended that the indebtedness be cancelled.

C.C. Gilchrist.

Ottawa, 2nd April, 1923.

Re:
Account of Neil Sinclair
P.E. 7-12-19-24

The undersigned member of the Seed Grain Advisory Board, having taken into consideration the attached report, approves the settlement outlined therein and does hereby recommend:-

1. That the indebtedness, which is more particularly described in the attached report, be cancelled without the requirement of any payment.

Duncan Marshall,
Dominion Land Agent.

SUMMARY.

G. S. Fertig has a purchased homestead in Area B which he has held since 1915. In 1919, cancellation proceedings were taken and a defence was filed claiming sufficient residence to earn patent. The Inspector's report furnished in 1920, showed that the cultivation amounted to 22 acres only.

In July, 1920, on promises from the entrant that he would go ahead with the duties, the cancellation proceedings were abandoned.

Fresh proceedings in 1921; defence by entrant claiming more than enough residence, with 50 head of stock.

Inspector's report now submitted very unfavourable. Residence duties not performed. Two declarations submitted in support of report but I notice they only date back to 1918, whereas entrant claims the necessary residence prior to that year.

I am inclined to think this man may possibly have managed to complete his duties, but his payments are certainly in arrears, and on this ground his entry could be cancelled.

Details in Mr. Davidson's report below.

MEMORANDUM

MR. HULME:-

RE. E½, 23-73-5, W6thM.
Scrip entry of C.E Harvey.
Date of entry 30th of
December, 1911.

From the correspondence on file it would appear that this entrant got mixed up with an entrant who holds homestead entry for the South-East ¼ of Section 18-72-6, W.6th. Meridian, who is now deceased.

Letter from entrant dated the 3rd ultimo, that he finds the land on his Scrip entry of such a nature that it cannot be ploughed, and that this can be certified to by his neighbours who have also tried to plough this land with first class outfits.

At the time he filed the ground was frozen and covered with snow. He has lived three years in the Peace River district and states he would be pleased to have his filing rights back for this South African Scrip entry so that he could place it on an agricultural half section, that he had an outfit of four horses, also a good supply of machinery to carry on farming with, and should he fail to have the scrip changed why as far as agriculture goes he would be down and out.

Please say if Mr. Harvey will be allowed to transfer his entry.

MEMORANDUM:-

Mr. Dixon.

N.E. ¼ of 27--10--11--W. 4th M.
Pre. of the late Chas. McPhee.
Entry dated 14th September, 1908.
Cancellation proceedings instituted 13th October, 1911.

Grand extension - Absd. p. but notify applt for night Sundes Allintosh's instruct

May the widow be given an extension of time to pay the amount due, $208.00.

It appears that the late Mr. Phee made homestead entry in 1907 for the S.E. ¼ of 34, in the same township. He became insane and was removed to the Brandon Asylum. His wife made application for patent for the homestead in October, 1910. It was accepted and the issue of patent now awaits the filing of Letters of Administration.

It appears that the homesteader died about a year ago and cancellation proceedings have now been instituted against his pre-emption.

This homesteader being dead no further residence is required, and it does not appear that the duties in regard to the pre-emption are in default, because the application for patent for the homestead shows that there were 35 acres under cultivation in 1910, and in May last the widow made a declaration that she had broken thirty acres additional on the homestead, making a total of 65 acres.

It would appear, however, that she is not able to pay the first instalment of principal, and two years interest is due, total $208.00.

A petition is now filed, numerously signed, setting forth that the widow has done all that was possible to maintain her family and to perform the duties, and that she has not raised any crop in four years that she has been on the land.

It

It is asked that the cancellation proceedings be withdrawn and that time be allowed for payment.

The widow states that she was left with six children to maintain, and no other means of support than what she could earn. She does not want to lose the pre-emption, but cannot pay this year.

Respectfully submitted,

Legal Representative of
Charles McPhee dec.

Dear Sirs:-

I see by Notice posted in our Postoffice that cancellation proceedings have been taken against Arthur Smith who holds the S.W. ¼ of Section 7, Township 12, Range 18, W. of 4th Meridian. Can the Department make some provision whereby we can secure the payment of these taxes before anyone else is again allowed to make entry for the said land?

Trusting to hear from you at an early date in regard to this matter, I remain,

Re S.W.¼ 7 - 13 - 18 -W. 4th M.

I am to inform you that according to a recent report made by an official of this Department you are given credit for nothing in the way of residence in connection with your pre-emption above described and nothing this year in the way of cultivation. It is reported that the one hundred and thirty acres of breaking was not in crop this year and has all grown up to weeds.

While your entry is liable to summary cancellation in view of the conditions now existing in that locality the Department is loath to carry out cancellation at the present time.

I am to warn you, however, of the consequences should by the 1st of April next you fail to fully satisfy the Dominion Lands Agent at Lethbridge you are in residence with the intention of remaining and performing in a satisfactory manner the duties required.

Sir,

With reference to your re-emption the S. W. ¼ of Section 7, Township 15, Range 16, West of the 4th Meridian, I beg to inform you that according to the records here you have done nothing in the way of residence since the 1st May, 1912, and the one hundred and thirty acres you had broken has all grown up with weeds. This is very unsatisfactory, therefore, it has been decided to allow you final thirty days notice within which to furnish the Agent of Dominion Lands at Lethbridge with satisfactory evidence, in the form of a statutory declaration, that you are in residence on your land and complying with the regulations in other respects.

I am to warn you, however, that should you fail to furnish the evidence within the time allowed, the aforesaid official will cancel your entry and dispose of the land in the usual way.

Memorandum.

Mr. Hume.

S.W. 7-13-14- W. 4th M.,
Homestead Entry of John C. Devereaux
Obtained 15th of July, 1915.

On the 5th instant, Homestead Inspector Wilcox reports as follows:-

"On inspecting the above land I find that same is not being farmed at the present time, nor was any being farmed on the 5th instant, which time I made inspection, nor has there been any arrangements made to have any of the land seeded this year.

The only information that I could obtain re Mr. Devereaux' address, was that last heard of, he was somewhere in Saskatchewan."

This case has been outstanding since the 15th of July, 1915. On the 8th of April, 1916, cancellation proceedings were instituted against this entry, which were subsequently abandoned, as a result of his successful defence on behalf of the entry, on the 12th of June 1916. On November 5th, 1918, cancellation proceedings were again instituted against this entry by a returned soldier, the complaint being that the duties were not being performed in a proper manner. Mr. Devereaux was again successful in having the cancellation proceedings abandoned, which was done on the 23rd of July, 1919.

This entrant did not take out any naturalization papers as a British subject but made application for patent on the 27th of March, 1921. Since that date, he has evidently left the country as no-one in his locality seems to know where his present whereabouts are. On the 8th of December, 1920, Head Office instituted cancellation proceedings against this entry for failure to apply for patent within five years. In his application for patent the residence and cultivation duties were satisfactorily completed. He was notified on the 21st of October, 1921, respecting his Certificate of Naturalization and requested to report progress. He was also notified respecting the Certificate of Naturalization on the 24th of February, 1

The entrant made application for patent on the 30th March, 1921, claiming duties completed, as shown on Form 58A (marked). "I also called on Mr. J.A. Campbell, a friend

The entrant evidently has abandoned the land and his entry might be cancelled.

The present practice in Area A is to grant grazing leases only and seed grain indebtedness need not be collected. Any amount collected for improvements could be credited to seed grain a/c.

Area A

Homestead - John C. Levereaux.
Entry granted 15th July, 1915.

Cancellation proceedings were instituted against this entry on behalf of the Department on the 8th December, 1920, for failure to apply for patent within the required time.

The entrant made application for patent on the 30th March, 1921, claiming duties completed as shown on form No. 58-A marked. The application, however, has been held up pending the receipt of Mr. Levereaux' Certificate of Naturalization as a British subject. The entrant has been written to on several occasions regarding this matter but the letters were returned here by the postal authorities.

Mr. Levereaux owes about $685.00 for Seed Grain advances.

The land is in Area A, and if the entry is cancelled will be available for leasing only unless otherwise ordered. In this connection would you kindly refer to your memorandum of the 2nd June, 1922, marked, also the Commissioner's endorsation thereon.

Homestead Inspector Wilcox reported on the 19th June as follows:

Residence:-

Nil.

Improvements:-

Lumber house, 28 x 32. Value $150.00.
Lumber granary, value $75.00.
½ mile 2 wires and ½ mile 1 wire fence, value $40.00.

- Cultivation -

Cultivation:-

153 acres broken.
Present value, nil.
Area fit for cultivation, all.

General Remarks:-

"I was informed that Mr. Alexander of Retlaw could give me some information re Mr. Levereaux, so I called on him at Retlaw, but he could give me no information re Mr. Levereaux. He informed me that they, the "Malo Mahen Lumber Co.," furnished the lumber for Mr. Levereaux' buildings, that they had not received payment for same, also that they hold Mechanics' lien, also bill of sale for said buildings.

I also called on Mr. J. A. Campbell, a friend of Mr. Levereaux, who told me that he had not heard of him since he left the district.

Owing to the condition at the present time there is no land selling in this district. I would value the above described land at the present time at $10.00 per acre."

The case was again submitted on the 5th July last, and the Commissioner gave instructions to bring same up in sixty days. The file was noted to come up on the 11th September last, but apparently same was not drawn.

In view of the foregoing please say if the Agent is to be instructed to carry out cancellation provided he is aware of no reason to the contrary.

MEMORANDUM:

Mr Ferrin,

S.W., 7--13--18, W. 4th M.

Timber and Grazing Lands Branch are in receipt of the application for grazing lease covering the above described land and in view of Inspector Wilcox' report the question is referred here as to whether they may proceed with the application.

file 625328 Vol. The Inspector's report dated the 25th of April last reads as follows:-

"Referring to your letter of the 31st March last in connection with the application of C.A.Secrist for a lease of the grazing rights on the S.W., 7--13--18, W. 4th M., I beg to say that this land is suitable for agricultural purposes in seasons when there is moisture as there has been about 150 acres broken but it has not been cultivated for several years and the breaking is all grown up with weeds and grass and there has been so many people leave this district and none coming in to locate. Under these conditions I think it would be better to lease the land than to let it lay idle and I would recommend that Mr. Secrist be given a grazing lease on same; the granting of a twenty-one year lease will not affect injuriously the interests of any bona fide established industry in the district.
There is 1 mile fence one wire, value $8.00"

Although the Inspector reports the land suitable for agricultural purposes, but in view of his recommendation kindly say whether the application for a grazing lease may be proceeded with.

Replying to your memorandum of the 25th ultimo I am to inform you that Inspector Wilcox report of the 19th June, 1922, is not at variance with his report of the 25th April last on your file, in so far as the nature of the soil is concerned, but in his first report he shows the following improvements on the land:-

Stable	$150.00.
Granary	75.00.
½ mile fencing.....	40.00.

I might state that in so far as this Branch is concerned, there is no objection to your proceedings with an application for a grazing lease covering this land.

Dear Sir:

Re: S.W. 7-13-18-W4

This Department has an old account against the above noted land for advances of seed grain to John C. Devereaux in 1920. We are anxious to bring our records up-to-date and if possible to settle this long outstanding account. It would assist us greatly if you would be kind enough to complete the attached form.

Re: Account of John C. Devereaux,
S.W. 7-13-18-W.4th.

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1920 seed grain amounting to $596.25 was advanced to John C. Devereaux on the security of the above described land. No payment has ever been received and the present standing of this account is:-

Principal	Interest	Total
$ 596.25	$ 1335.29	$ 1931.54

The S.W. 7-13-18-W.4th was formerly the homestead entry of John C. Devereaux whose entry was cancelled on the 22nd of December, 1922, and is still unalienated Crown land held in the right of the Province.

In reply to our questionaire concerning the S.W. 7-13-18-W.4th of the 2nd of April, 1952, J.H. Todrick, Supervisor, Special Areas, Department of Municipal Affairs, Province of Alberta, wrote as follows:-

"This is an unalienated crown parcel covered at present by a long term grazing lease as issued by this department. This land is located in that part of the Province designated "Special Areas" and as such there is little likelihood of same ever being disposed of by sale or utilized for any purpose other than grazing."

As the land is fit for grazing purposes only it offers little security of value for our advances. Under the circumstances it is recommended that the indebtedness be cancelled.

Re S.E.¼. 4-16-18-W. 4th Mer.,
N.E.¼. 33-15-18-W. 4th Mer.,
William MacIndoe.
Dominion and Provincial Liens.

The Seed Grain and Relief Adjustment Board, appointed under Order P. C. 2200, hereby recommends that the liens Dominion, Provincial and Joint Relief, charged against the S.E.¼, 4-16-18-W. 4th Mer., and the N.E.¼, 33-15-18-W. 4th Mer., for advances made to William MacIndoe, be discharged.

The Board submits the report of the Director, Debt Adjustment Act, dated June 26th, 1931, which report gives full details of all liens registered against the said land and states in support of the recommendation:-

1. That at the time the advances were made the debtor was the owner of the S.E.¼, 4-16-18-W. 4th Mer., subject to a first mortgage in favor of the Manufacturers Life Insurance Company which mortgage was registered prior to any advances being made to this debtor.

2. That the Mortgagees have foreclosed upon their security and are now registered owners of said land and that by such foreclosure all Provincial and Joint Relief liens have been eliminated therefrom.

3. That the Mortgagees have applied for a discharge of the liens charged against said land, for the reason that they will sustain a loss in realising upon their security, and it has been established to the satisfaction of the Board that the total amount payable to the first mortgagees, which should have priority to the liens is the sum of $1,525.83, while the present fair actual value of the land does not exceed the sum of $800.00.

4. .....

4. That the Mortgagees have sold the said land, under an Agreement for Sale, providing for the delivery to them of 1,500 bushels of No. 1, Northern Wheat, to be delivered from a share of the crop grown upon the said land, but it is reported that since said Agreement was made the purchaser has experienced crop failures and it is possible that the present Agreement will be cancelled.

5. That as the Mortgagees are sustaining a loss in realizing upon their security it is desirable that the liens be discharged.

6. That under Board Order No. 850, it was recommended that all liens charged against the N.E.¼, 33-15-18-W. 4th Mer., be discharged and it is understood that this recommendation was complied with.

7. That while the debtor is endeavoring to re-establish himself on a rented farm in the Vauxhall District he has not met with any success and there is no possibility of making any collection under his personal covenant.

The Board therefore recommends that all liens be unconditionally discharged, and the total amount payable thereon be written off as uncollectible.

S. J. Thom
Chairman, Seed Grain & Relief Adjustment Board.

Member, Seed Grain & Relief Adjustment Board.

The Honorable,
The Minister of the Interior,
Ottawa, Ontario.

The Tax Consolidation Board hereby recommends that the liens charged against the S.E.¼, 4-16-18-W. 4th Mer., and the N.E.¼, 33-15-18-W. 4th Mer., for advances made to William MacIndoe, be discharged.

The Board submits in support of this recommendation:-

1. That at the time the advances were made the debtor was the owner of the S.E.¼, 4-16-18-W. 4th Mer., subject to a first mortgage in favor of the Manufacturers Life Insurance Company, which had priority to all liens.

2. That the Mortgagees foreclosed upon their security and became the registered owners of said land and that by such foreclosure all liens were eliminated therefrom.

3. That by Board Order No. 850, it was recommended that all liens charged against the N.E.¼, 33-15-18-W. 4th Mer., be discharged and it is understood that this recommendation has been accepted.

4. That the chattel mortgage security taken as collateral for the Joint Relief advances is reported to be valueless and nothing can be realized therefrom.

5. That nothing can be collected from the debtor under his personal covenant.

The Board therefore recommends that the liens be unconditionally discharged, and the total amount payable thereon be written off as uncollectible.

Dear Sir:

Re: William MacIndoe - Dominion and Provincial liens
S.E. 4- 16- 18- W.4th - N.E. 33- 15- 18- W.4th

William MacIndoe obtained the undermentioned advances from the Dominion Government:

1916	Fodder and Relief	$ 93.30
1915	Fodder	27.20
1915	Fodder	16.00
1915	Seed Grain	275.10
		$411.60

He has made no repayment. With interest to July 31, 1931 he owes $734.22.

Liens were registered on title to the S.E. 4- 16- 18- W.4th of which he was registered owner and were held as a charge on the N.E. 33- 15- 18- W.4th for which he held preemption entry.

He also obtained seed grain and relief advances from the Provincial Government for which he is indebted as hereunder shown:

Seed Grain -	April 19, 1918	$159.50	
	March 31, 1920	299.60	
	April 7, 1922	130.00	
	Bank Charges	57.01	
		646.11	
Interest to March 31, 1931		400.70

Relief -	April 24, 1920	$152.70	
	April 24, 1920	50.00	
	January 20, 1922	51.65

	May 31, 1921	58.30	
	April 7, 1922	122.75	
		$580.25	
Interest to March 31, 1931		394.98	975.23
			$2022.04

E. J. Fream, Esq.,

Liens were registered on title to the S.E. 4- 16- 18- W.4th of which the debtor was registered owner and were held as a charge on the N.E. 33- 15- 18- W.4th for which he held preemption entry. There were mortgages on certain chattels as additional security for the joint relief and promissory notes.

(1) S.E. 4- 16- 18- W.4th

All the liens both Dominion and Provincial registered on title to this property were subsequent to a mortgage to the Manufacturer's Life Insurance Company which was registered on August 6, 1913 to secure repayment of the sum of $700.00 and interest. The only security for the debt was the mortgage on this property.

The Manufacturers Life Insurance Company foreclosed and obtained title by a Vesting Order which removed all the liens with the exception of the Dominion liens listed hereunder:

Seed Grain	$313.60)	
Relief	54.80 (	8654 B.D.
Seed Grain	16.00	8001 B.K.
Fodder	27.20	8293 B.L.

These liens remained a charge under the provisions of the 1915 Seed Grain Act. The Manufacturers Life Insurance Company have applied for release of the liens on the ground that they are sustaining a loss under their mortgage. They have submitted a statement of the mortgage debt in which are included the following items:

Principal	$700.00
Taxes paid	307.47
Foreclosure costs	175.00
Simple interest at 5% per annum as allowed for the purposes of the application	343.36
	$1525.83

They have valued the mortgaged property at from $800.00 to $1000.00. They have sold the property under a contract providing for payment of the purchase price in the form of 1500 bushels of No. 1 Northern wheat to be delivered by a share of the crop grown on it annually. They claim that they have received no returns for the last two years and are doubtful whether they will ever realise the amount for which they have sold the property. They believe they are facing the necessity for repossession and another sale which will net them very much less than the previous sale as prices have fallen since this sale was effected.

E. J. Fream, Esq.,

In a report dated June 15, 1931 an Assessor for the Department of Municipal Affairs has valued the property at from $4.00 to $5.00 an acre. He has remarked that crops have been very poor in the neighbourhood of the land for the last three years. The land is situated near Warner. It is obvious that the Manufacturers Life Insurance Company will sustain a loss under the mortgage which was registered prior to the seed grain, fodder and relief liens.

I therefore recommend that the Dominion liens which still remain on the title be released.

(2) N.E. 33- 15- 18- W.4th

The debtor held preemption entry for this property but it was cancelled. On November 16, 1928 Edward Brown filed second homestead entry for the property and agreed to assume liability for the seed grain, fodder and relief indebtedness. By Board Order 850 you authorised that he be released from this liability and that no portion of the indebtedness be retained as a charge on the land.

There is no other security for any portion of the indebtedness to the Dominion Government. I last heard of the debtor in 1929 that he was endeavouring to re-establish himself on rented land near Vauxhall but that he was meeting with little success. I therefore regard his personal covenant as valueless.

I recommend that his seed grain, fodder and relief indebtedness to the Dominion Government be written off as uncollectable by the Department of the Interior.

There is no security for the seed grain and relief indebtedness to the Provincial Government with the exception of the chattels which were mortgaged to secure repayment of the relief advances. These chattels are now valueless.

There is no likelihood of collection from the debtor under his personal covenant of any portion of the seed grain and relief indebtedness to the Provincial Government. I therefore recommend that it be written off as uncollectable.

Yours truly,

W. Foote

Director.

The Tax Consolidation Board hereby recommends that the liens charged against the S.E.¼, 4-16-18-W. 4th Mer., and the N.E.¼, 33-15-18-W. 4th Mer., for advances made to William MacIndoe, be discharged.

The Board submits in support of this recommendation,-

1. That at the time the advances were made the debtor was the owner of the S.E.¼, 4-16-18-W. 4th Mer., subject to a first mortgage in favor of the Manufacturers Life Insurance Company, which had priority to all liens.

2. That the Mortgagees foreclosed upon their security and became the registered owners of said land and that by such foreclosure all liens were eliminated therefrom.

3. That by Board Order No. 850, it was recommended that all liens charged against the N.E.¼, 33-15-18-W. 4th Mer., be discharged and it is understood that this recommendation has been accepted.

4. That the chattel mortgage security taken as collateral for the Joint Relief advances is reported to be valueless and nothing can be realized therefrom.

5. That nothing can be collected from the debtor under his personal covenant.

The Board therefore recommends that the liens be unconditionally discharged, and the total amount payable thereon be written off as uncollectible.

5. That it has been established to the satisfaction of the Board, that the total value of the said land does not exceed the sum of $150.00, and taking this into consideration the amount already paid by the present entrant represents the full properties of the liability of the original debtor which should be secured by him, and that if he is required to make any further payment, it might have the effect of causing him to abandon his entry and the land would again become vacant.

6. That as the present entrant has applied for an adjustment, the amount now held to his credit in suspense account should be applied on account of said liens, and the liens be discharged

7. That prior to the advances being made to the debtor entered the E.R.L., 22-15-17-W. 4th Mer., to the Mercantile Trusts Company, and that title to said land is still registered in the name of the debtor subject to the said mortgage and to other encumbrances

8. That it is understood that any balances remaining unpaid in connection with a charge against this quarter section, until such time as a vendee party applies for an adjustment and a recommendation is made in connection therewith.

The Board therefore recommends that the amount now held in Suspense Account, $178.00, being the payment made by Farley Clinton Sisms, be forthwith applied on account of the Dominion liens, charges against the E.R.L. 22-15-17-W. 4th Mer., and that with the payment of the said amount all liens registered against the said lands be discharged, and any balances remaining unpaid be written off in so far as said land only is concerned.

The Board further recommends that after giving effect to said adjustment any balances remaining unpaid be retained as a charge against the E.R.L. 22-15-17-W. 4th Mer., and that the debtor persistently omit such time as to application is made for adjustment and a further recommendation is made in connection therewith.

Dear Sir:

Re: R... Campbell, ... 23-12-19-4
Dominion & Joint Relief Advances.
Supplementary to Board Order 1735.

The above party obtained the following Dominion and Joint Relief advances giving as security liens on the title to the above land.

Dominion advances.

Under Board Order No. 1735 the Dominion liens were released from the NW 23-12-19-4 upon payment of one hundred and seventy-eight dollars ($178.00) while the Joint Relief Liens were released with no payment being made.

As set out in the previous Board Order there is no likelihood of payment being made by the debtor himself with the

Cont.

result that the NE 22-12-19-4 only could be looked to for payment.

The NE 22-12-19-4 was allowed to revert to the taxing authorities under the provisions of the Tax Recovery Act and as no sale materialized same was transferred to the Department of Lands and Mines and is still under the jurisdiction of that Department. The policy in connection with such lands is for the Department to hold them available for lease only and due to this property being situated in one of the drier parts of the Province very little returns are received with the result that no recovery can be made on these advances from this source.

As there is no possibility of obtaining repayment under the present agreement or from the security I would recommend that the balance outstanding be written off and the files closed.

Re Charles B. Mills,

Sir:-

In this case there were certain Joint advances as made to the above, which the Adjustment Board of Alberta, in their report dated the 8th May, last, being S.O.4488, recommended be unconditionally written off, the land security registered against the above half section having been deleted by foreclosure of a prior mortgage, and there being no prospect of collection from the lienee.

P.C.145/1500, dated the 25th ultimo, has now passed, ratifying the recommendation of the Board, and as the liens are not registered, I presume this communication may be accepted as signifying the consent of the Department to the cancellation of the instruments and the closing out of the account, which action has already been taken on our records.

Ottawa, December 17th, 1916.

MEMORANDUM:-

Patents Branch.

With reference to my memorandum of the 20th June last hereunder, I beg to say that the same is somewhat misleading. The facts in connection with the right of way for the Southern Alberta Land Company, Limited, over this quarter section are as follows:-

On the 21st August, 1912, Mr. E.V. Browning executed a release in favour of the Southern Alberta Land Company- covering 10.77 acres for canal right of way. It was later found necessary to change the location of the canal across this quarter section and Mr. Browning executed a second release dated 5th September, 1914 in favour of the Southern Alberta Land Company- covering an area of 17.51 acres.

The original canal right of way, viz.- 10.73 acres- was abandoned by the Company and it was in connection with this right of way that my memorandum of the 20th June last was written.

Reservation is still required over the SE¼ of section 19, township 14, range 19, west of the 4th meridian for the Southern Alberta Land Company's irrigation canal, comprising an area of 17.51 acres, and when patent issues to Mr. Browning it should be subject to such reservation.

Steps

Steps are being taken to issue a licence of occupation in favour of the Southern Alberta Land Company covering this right of way.
